

Application for Funding From the Sam Barlow High School Site Council

Staff Name(s): _____

Describe the type of assessment or professional development:
(What will the students be doing? What will the staff/teacher be doing?)

Which goal(s) from our School Improvement Plan does your proposal align?

1. Improving student performance in Reading, Writing, Math or Literacy in Science and Social Studies
2. Increase staff collaboration by using data to implement instructional strategies to increase student engagement
3. Developing common formative or summative assessments to enhance discussion for the effective use of data during Data Team discussions

How will this work benefit students?

When will the assessments take place, or when will the professional development occur?

How will you share your findings with your Data Team and/or other colleagues?

What is the quantity of money requested? How will you spend it?

Please give a general breakdown of expenses including sub costs if you needed)
